## Candidate Speeches

Current Student Administration gifted MACS quarter zips to Mr. Courtney and Mr. Mattioni.

## Delaware Valley University Field Trip

Two of our cadets explored Delaware Valley University, where they toured working Greenhouses and the Equine Center the Dairy and livestock. Cadets learned veterinary programs, including Animal Science, Zoology, and Equine Management. Both cadets are in the process of applying and would like to attend this school when they graduate.

## The 2023-2024 Bowling Team!

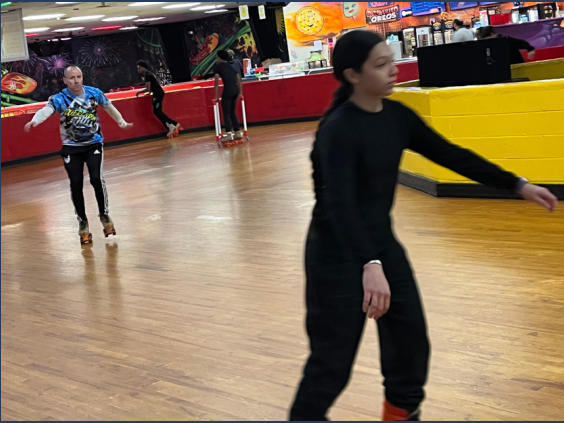

# High School

## Rolling Thunder Skate Trip

# High School

# High School

Mr. Andrew Brenner from Holtec International visited Ms. Brisbin's AP Environmental Science to talk about nuclear energy. Mr. Brenner also discussed his experience with nuclear submarines and potential career paths within the nuclear industry.

## Class Gone Nuclear

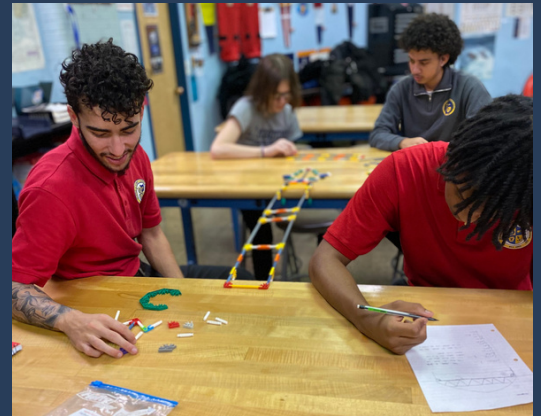

## 10th Grade Field Trip

Ms. Simon's class visited the Weitzman National Museum of American Jewish History. Cadets listened to a speaker relating her parents' experiences during the Holocaust.

## Chief Hentnick and Mrs. Gayot's Principles of Engineering Class

# High School

## National Engineer's Week at the Naval Surface Warfare Center

21 Cadets attended a Career Forum and STEM demonstration at the Philadelphia Naval Yard February 23. Cadets took part in a science and engineering panel discussion with NSWC staff, then watched or participated in a number of STEM activities including 3-D scanning, Electronic circuitry, buoyance and stability, and superconducting applications. The trip was interesting, entertaining, and Cadets learned about different career preparation and paths at the Center.
